

Directions to Oakview Lake from Caen (Ouistreham Ferry Port)

Drive time : 2 hrs 30 minutes (123 miles)

Driving Tips:

White signs are for local areas and villages

Green signs are for national routes (A roads)

Blue signs are for motorways (usually toll roads)

If you don't see your destination on a road sign, follow 'Toutes Directions' or 'Autres Directions'

There are no motorways involved in this route, so follow only Green signs until the final turn off to Villiers Charlemagne.

Note: GPS systems will tend to take you via an expensive toll route. It is best to avoid this motorway altogether as the distance is much greater and the direct way is actually quicker. You can 'make' your GPS avoid the motorway by choosing your first destination as the city of Mayenne. On the approach to Mayenne, re-program to our exact co-ordinates as below.

With Satellite Navigation:

Choose 'Villiers Charlemagne' as your destination, and then 'Le Cormier'.

Alternatively, you can program the following co-ordinates to our doorstep:

N47.92287100 or N47° 55' 22.3"
W0.64476000 W0° 38' 41.4"

Without Satellite Navigation:

- From the Ferry follow the route to **Caen**
- Pick up the Peripherique Est (Ring-Road East) towards **Paris** - don't worry if you go the wrong way on the ring road towards **Rennes**. It is easier and quicker to carry on round than to try and turn off and reverse your direction.
- Exit the peripherique at Junction 11 (Green Signs) towards **Flers** and **Laval**
- Keep following only the Green signs towards: **Flers - Domfront - Mayenne - Laval - Angers**
- Once past **Laval** you will be on the N162 towards **Angers**
- After approximately 15 miles, turn off at the sign for **Villiers Charlemagne** (just after the start of the dual carriageway)
- Continue into **Villiers Charlemagne** until you see the church on your left.
- Turn left at the church towards **Evron**. If the church is on your left as you head away from the village you are going the correct way.
- Just after leaving the village (village sign crossed out) turn right (after the new houses on your right)
- Oakview Lake at Le Cormier is 2.5 miles on your right. If you reach the mini crossroads, you have gone too far.

If you get lost nearby, go to the nearest village church and call 00 44 7702 207443

Directions to Oakview Lake from Le Havre

Drive time : 3 hours (160 miles)

Driving Tips:

White signs are for local areas and villages

Green signs are for national routes (A roads)

Blue signs are for motorways (usually toll roads)

If you don't see your destination on a road sign, follow 'Toutes Directions' or 'Autres Directions'

Note: Some GSP systems will try to direct you onto an expensive toll route for a large part of this journey. You can avoid this by programming your GPS in stages via Caen and then Mayenne before entering the final destination. This will still take you through a toll road but the charge will be much less and the journey will be shorter.

With Satellite Navigation:

Choose 'Villiers Charlemagne' as your destination, and then 'Le Cormier'.

Alternatively, you can program the following co-ordinates to our doorstep:

N47.92287100 or N47° 55' 22.3"
W0.64476000 W0° 38' 41.4"

Without Satellite Navigation:

- From the Ferry follow the route to **Caen** (A29 then A13)
- As you approach **Caen**, follow the White sign towards Peripherique Sud (Ring Road South).
- Exit the peripherique at Junction 11 (Green Signs) towards **Flers** and **Laval**
- Keep following only the Green signs towards: **Flers - Domfront - Mayenne - Laval - Angers**
- Once past **Laval** you will be on the N162 towards **Angers**
- After approximately 15 miles, turn off at the sign for **Villiers Charlemagne** (just after the start of the dual carriageway)
- Continue into **Villiers Charlemagne** until you see the church on your left.
- Turn left at the church towards **Evron**. If the church is on your left as you head away from the village you are going the correct way.
- Just after leaving the village (village sign crossed out) turn right (after the new houses on your right)
- Oakview Lake at Le Cormier is 2.5 miles on your right. If you reach the mini crossroads, you have gone too far.
